

2018 FALL NEWSLETTER

Hello Everyone,

That time of year again, time to wrap things up for the season. Where did the season go?

First off, I would like to thank all the workers, both inside and outside for making Heart River Golf Course one of the best golf courses in the North. Together, we make an awesome team. Everyone has commented on the excellent shape that the course was in from day 1. Some even call it a Diamond in the Rough, the prettiest course around and I have to agree.

Unfortunately due to the slower economy and the terrible weather we have had since the middle of August, the traffic at the course wasn't up to par. Memberships are on the down side, but 12 round passes are up. Hopefully next year things will pick up.

Lots in the Seasonal Campground are still available, the campers have done a whole lot of clean up down there and it is starting to look real nice. If you or anyone you know may be interested in purchasing a lot, feel free to give Dale a call at [780-618-8776](tel:780-618-8776), he will be happy to answer any questions you have.

This year the entries for the Annual Tournament were down from last year, we had 82 golfers and we saw 3 new names on the Championship Trophies. Tyler Shantz won the Men's Championship. The Ladies was taken by our own Joanne Bekewich. The Junior's was taken by Matthew Mayowski. We hope to see them back in 2018 to defend their titles.

Peace Playland brought the Farmers and Merchants Tournament back in June and a good time was had by all who attended.

This year we also brought back the Couples Nite. Friday evening is the night for this and I am sure it is going to continue in 2019. A Couples Tournament was also held in August and a good turnout showed that this will be held again next year. I am thinking that we are long overdue for a Senior's Tournament.

I am not sure if many of you are aware but Heart River Golf Course is going to be 45 years young next year. That is a milestone for a non profit organization such as this. We have come a long way. Look for some special things to be coming to celebrate this milestone.

Please mark Thursday, November 22, on your calendar. That is the date that the Annual Meeting will be held. It is going to be at the Nampa Library at 7 p.m. Coffee and snacks will be served. If you have any concerns regarding the course, that is the time to bring them forth.
